INTRODUCTION TO YLP

YLP S.à r.l. (société à responsabilité limitée), or “Your Luxembourg Partner”, is an independent corporate service provider which began by adhering to one principle, **quality service for the right price**.

We pride ourselves on offering only the highest level of personal service for all of our clients, whether they are part of large corporate networks, small and medium enterprises or simple personal investment vehicles. We understand the needs of our clients and offer tailor made solutions, from minor inquiries to complex challenges. Our goal is to be your local partner, not just your service provider.

Our expertise in corporate services has been developed over the last 15 years from our roles with Big4, law firms, and listed corporate service providers. We maintain internal competence in all the requisite areas, including accounting, corporate management, tax compliance and legal compliance. Based on our experience skills, we will work directly with you and with your Luxembourg or global advisors.

Why a Luxembourg “Partner”?

Our aim is to be your local eyes and ears. We will be working with you to set up your Luxembourg structure and supporting/assisting you along its duration. We will safeguard your interests, and ensure your company adheres to all local rules and regulations.

As your partner in Luxembourg, we believe our skilled knowledge combined with our long-standing local relationships will best serve your structure and will deliver you “quality service for the right price”.
